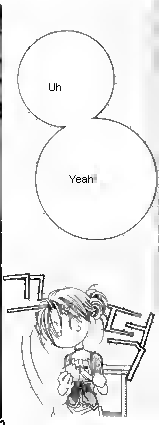
와!

What right do you have to say that? You are not here more than you are here.
Don't tell me you've caused troubles while I am away?
W wow
They... are the same !!

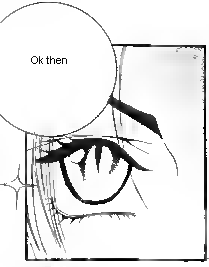
What ?!
That's the professor He Jin Hyeon ?!
Calm down.
Autographic...

And personality ...
I see ~ not only you two look the same. The talents are even the same.
You two sure are a mother and a son.
doesn't I ke it
doesn't care
I've recorded every drama she has written!! I admired her so much !
Ye. ye
You
You haven't forgotten have you?

What ?
You will obey my order !



Uh
Yeah!



Ok then

포화

What is this childish crap ?
Ye Myeong d d you br ng out what you wrote n elementary school ?
Those I wrote them
Is that so?
Uwah !

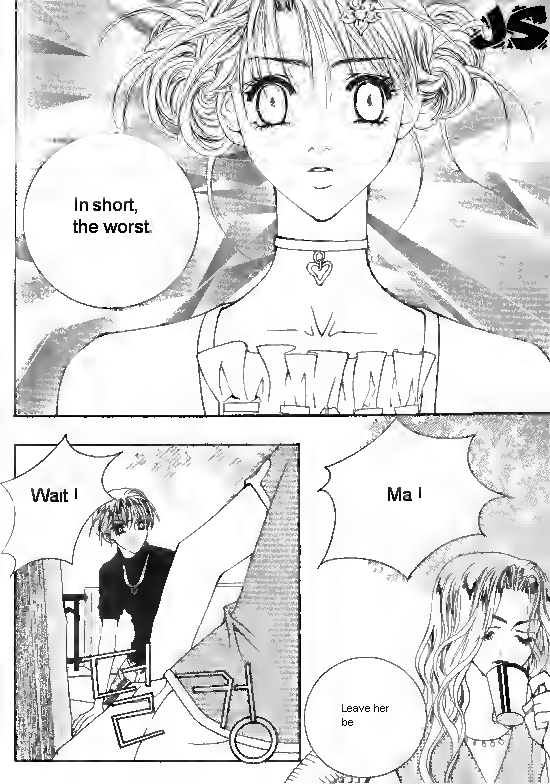
Thanks for making me laugh so hard. it was really bad.
Can't you do better? I cannot blame her !
Found another similarity
Mocking on face
Anyway
Are you ready to answer now ?

You do what I tell you.
Why?
Uh.. ok
You promised to go to England with me if you don't still have your woman when I return
What - ?!
But Ye Myeong s only 17
I am not go ng
Uneas ness ncreas ng
Oh, does that mean you've found your g rl ?
Yeah
Uneas ness ncreas ng more

She is the one I am going to marry.
I knew it!

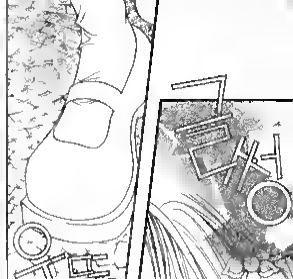
Be quiet or
no more lessons.
Wait !!
That s absurd!
I cannot let
you do that
What?
Why ?!
She has
no talent.

My family has been writers.
I cannot accept someone with no talent or whatsoever into the family.
Oh yes
Let me make it s mple and clear
You have no probab lity
Creat vity. percept on or any k nd of sense



In short,
the worst.
Wait !
Ma !
Leave her
be

She has no hope
Worst !!
타닥타닥
Worst !!



I thought Ye Myeong was just fooling around when he said that

What am I go ng to do ?
Oh?

Oh no
I left my purse cellular phone and everyth ng there
JS

Here read these
What are those?
The girl who has no hope wrote all these
Are you going to torture me? I don't have time to read all these

That's right. It's dizzing, isn't it.
She goes to school and study. And she does all the errands I ask her to do and still write this much.
She s not do ng it because she was told to do so. She s do ng it on her free w ll.

No matter how good one may be. One cannot beat someone who does try hard on their free will and pleased for simply doing so.
I
In that sense, she is already a fine writer

I approve her !

I will make so that everyone will approve her!

And f you nterfere one more tme I w ll k ck you out

그럴 순 없

Ths s my apartment!

JS

So
happy...
what am I
going to do ?

Hello -
Uh Jun Yeong
You are early

Looks like

Want me to take a p cture of you two and send it to a newspaper stat on ?
Ss
Could I
not wear these mann sh clothes and try those ?

Th s s the most dangerous moment of my 10 year l fe as a coord nator
The g rl P l Llp l kes
Why all the sudden? You don't l ke the concept ?
l s so cute and lovely
I am not compla n ng about how mann sh I look But
So? Is she glamorous ?
Eh ?

No
I don't

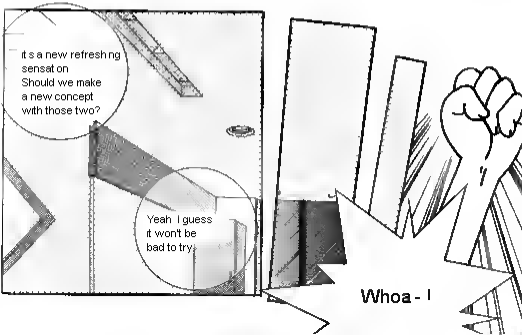
Don't be foolish
Look at him !
Give him a candy
and he is a baby !
Look, he is a
baby !
He doesn't care
how big one's
breasts are or
how cute one is
Try to make him
feel comfortable
when being with
you.

JS
Start as a fr end
26
She s certa nly r ght on that
A fr end

I guess it isn't so bad
I feel something missing but
Look look
Huh? Wow

My gosh
they are so cute



it s a new refreshi ng
sensat on
Should we make
a new concept
with those two?
Yeah I guess
it won't be
bad to try
Whoa - !

What was that for ?
I am sorry
Ah
I just needed to do that to liven up
You must have felt real bad yesterday
No well I realized you two were related That s all
You must have grown up

well anyway don't mind her words
She was like that to me at a time also
I was told that by a professional few years ago
You remember that right?
Ah

I see
If she did that to Ye Myeong

I couldn't find your cigarette
Geez~
Maybe I will get approved if I try hard ?
Couldn't you do it by yourself ?
I don't want to ~ The air in Seoul is bad for my skin, it's too polluted.
And you !
Yes ?

Could you clean th s place ?
Yes? Me ?
Yes - you are my Ye Myeong s f ancee no ?
Just th nk as a lesson to be a w fe
Yes
She s scary

Ah -
Pil Lip, Hi !

What are you doing ?

Ye Myeong even let you do th s ?
Uh No it s not that
I told her to do that, doll .
Are you still hanging around Ye Myeong?
You know what? I am not very pleased that a 3 star actor like you run Ye Myeong s talent

Wait !
Pil Lip is not a 3-star actor !
Is he a 5 star actor then ?
다시은 3성은 아니란 말인가?

JS
"You do good for your age."
"You are not bad for an idol star."
You are abused by those words and think the world goes around you.
You are even worse than a 3-star !
While having an obvious handicap, singing and acting all together
can you still say you are better than those actor and actress who've dedicated their lifeinto one path ?
2002
If you know what I mean don't show up here anymore
You

Why are you trying so hard to isolate Ye Myeong from everyone ?!
Won't even stay with Ye Myeong !

How dare she ?
Whatever I have n mnd it s none of your bus ness
Now you two..3 star hold hands together and get out of my s ght

Let s go
He Ra
Really
I cannot understand
Uh ?

Hey,
how did you ...
Argh,
What was that for ?
What are you ?!
Did you bring her here to make her do such things ?!

No, Pil Up
Ye Myeong
doesn't know
about this..
Such things?
If you are not going to teach her right, just don't do it !
Who do you
think you are lecturing ?

JS
You better take care of your behav or f rst
What are you go ng to do f some reporter take p ctures of you hang ng with He Ra ?
W wait
I am aware of it !
LONDON
And th s s the best you can do ?
Please don't fight You two have no reason to fight, please ?

Yes, there is !!
Huh?

There is !!
What reason ?
I

Ah shoot
What am I doing this for with another dot
Anyway, come here!
Come on!

The line reads
Don't come
If you come you die
KEEP OUT
오지마 접근
오면 죽어!! 금지!
They are even seeing an illusion
주의
JS

Sorry
I don't want to today

Yeah ?
If that s what you want
Huh ?
What, could it be...

Ye Myeong s angry ?
Mother ....
What the hell did you do to them ....
Ah, Ye Myeong, I've a good news
I made arrangements so that you are now a part of the ann versary spec al program scenar o team

Ah
Ah
Really ?
Sure ~
it was a piece of
cake. You have a
good reputat on
That sa d
D dn't I tell you
to get r d of that
doll ?
The mother
and the son,
they are so
same
No k dd ng

JS
Actually ...
Yeah,
I think it is going to
be a historical drama.
It is to celebrate the 20th
anniversary of the station.
So, many famous writers
and actors are going to join.
It's a big project.
Wow
So you and
Ye Myeong
are going to
be in ?
Yeah!
This kind of
chance does
not come
often
I came here to tell
Ye Myeong that
he was selected
to be a member of
an anniversary
special program and
I am going to be casted
as well
두근

불안
What are
you going to

JS
I thnk I am

Sado-Seja ...?

the one who was
abandoned by
his father and was
isolated until death....
Yeah,
I read that

person
P l Lip s go ng

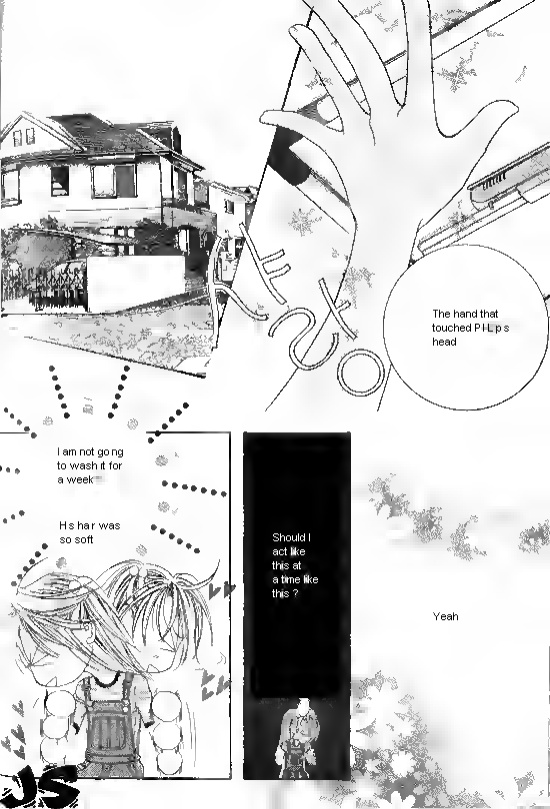
JS
A smart and handsome seja (prince) who ends his life so young....
He He Ra I de dur ng the drama
Um...
I am not saying I've seen selected... But there is a good chance that...
Do it !
You must must !
You must do it !
You will do well, You must do it !

JS
I will try hard
Thanks
To be honest
I wanted to try
this genre
and break the
"3 star" remark

You can do it
You are the best actor I've acknowledged !
You are still giving him lessons right?

With all those spec al favors he is st ll ke that
And you provide him the scenario script early.
Do you st ll th nk he s worth enough to nvest your time ?
PD Jung seems to be plann ng to cast h m n the spe cal program
JS

No way.
I am not going to let him run around.
As long as I am here, he is not going to be casted.
You better know that as well!



The hand that touched PHLp s head
I am not go ng to wash it for a week
H s har was so soft
Should I act like this at a time like this ?
Yeah

Pil Lip,
Ye Myeong
They both are walking towards ther goal
I don't have much time to waste.

Come to th nk of it it s really a good chance
Though I seem to be hated f I keep try ng hard

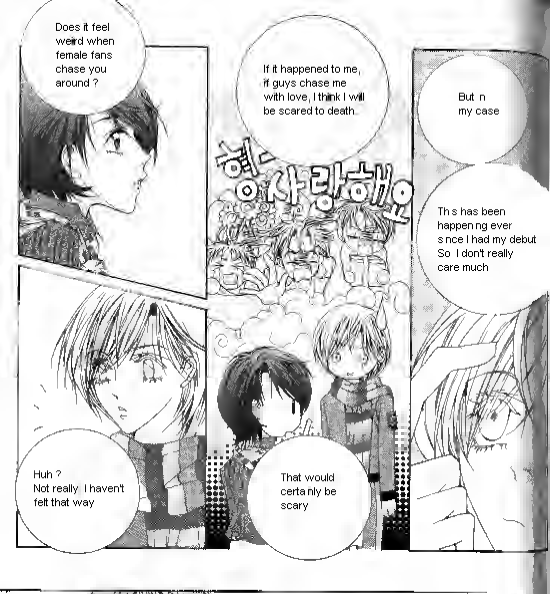
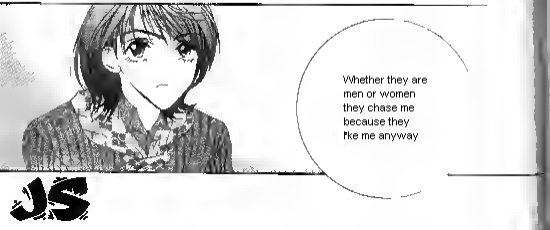
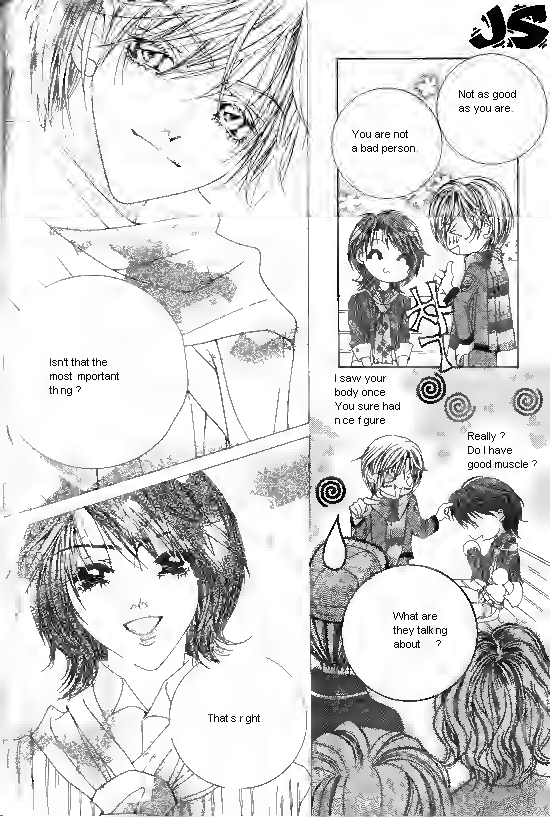
My manager told me.
Thanks
Dude it s noth ng
You are a grl ?
Kyaa Eun~ we love you
"Eun" Only females use th s term to call other older females or females they respect



Does it feel weird when female fans chase you around ?
If it happened to me, if guys chase me with love, I think I will be scared to death.
But n my case
Th s has been happen ng ever s nce I had my debut So I don't really care much
Huh ? Not really. I haven't felt that way
That would certa nly be scary



Whether they are men or women they chase me because they like me anyway



JS
Not as good as you are.
You are not a bad person.
Isn't that the most important thing ?
I saw your body once You sure had nice figure
Really ? Do I have good muscle ?
What are they talking about ?

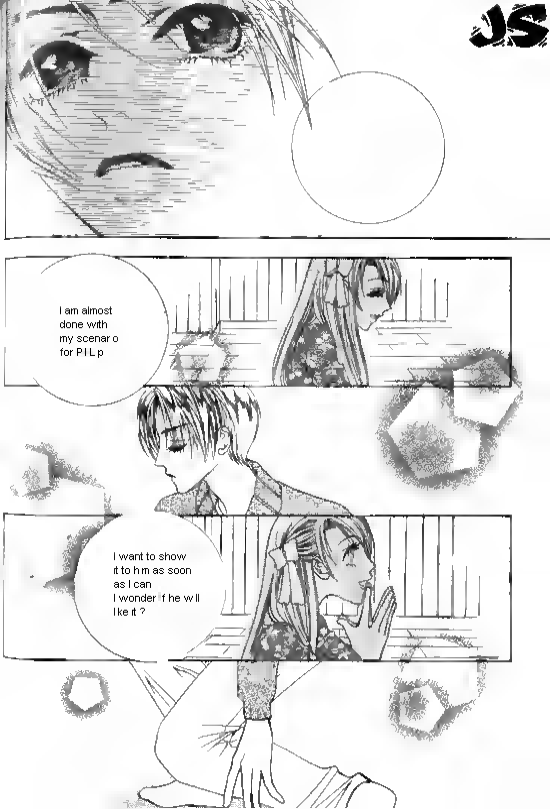
You can't resist falling for him



I am almost done with my scenario for PILip
I want to show it to him as soon as I can I wonder if he will like it ?

Whenever I think about it, I sometimes cannot sleep.
And besides, I am doing stories with other main character than Pil Llp.
I am not going to write such an obvious story.
I want more variety
I feel lke I ve become a wannabe for real now

I must thank you for all your help ...
Really ....
you have no idea how happy I was at the moment ...
I've approved her !
I will make it so !
I will do my best not to disappoint you !

||

||
He Jin Hyeon
Hello professor He Jin Hyeon
Hello
Why didn't you hail ?

What did you two fight ?
So about the program

I would like the program to rely heavily on historical facts.
And about the casting,
I d sagree with the dea of gett ng dol stars into the program Th s s a h stor al drama
Such low grade actors or actresses may only ru n the whole concept and atmosphere of th s program
In short the program may only be cons dered to be another Not aga n

Therefore, I would like to remove all the idol stars from this program. What is your thought on this, Program Director, Jung ?
Ye Myeong Han-kun, I would like to hear your opinion since you are the youngest in this team.
I also know you are a good friend of P I Lip s

...I have no objections.
I've been thinking the same

Wow -
are you really
giving this to me,
Jun Yeong ?

Say, we make a great couple, eh ?
Yeah, I think so
?
Really cool
It looks a lot better without the text
I think so too heh
I thought you liked P I L p ?
JS

You have the same face. So, you get hit instead !!

You and your mother are so harsh !!

He Ra -

Red roses would be the best when proposing right ?
I think she'd run away before you even propose

Why are you so troubled ?
Will it work ?
What ~ don't be so weak. It's not like you.
You have your speciality, "I love you ~" attack.
